

Jackie Shaw

INSTRUCTOR • DISRUPTOR • CONSULTANT • AUTHOR

A brutally honest accounting professional may not sound like the person you want to invite to the party (or podium) but Jackie Shaw's energetic humor and depth of business knowledge have made her a nationally recognized and highly sought-after presenter, business consultant, and extremely popular meeting facilitator. Jackie specializes in the construction and remodeling industry and has a passion for teaching and mentoring.

Her current mastermind project, Brass Jacks Bookkeepers, is an online school for bookkeepers who want to learn not just how to survive in a tough industry, but thrive in a vital profession that is all too often minimized and overlooked.

Jackie is founder and principal consultant of Get Organized! whose mission is to increase the happiness in the world by helping business owners deal with accounting & administrative challenges.

SIGNATURE PRESENTATIONS

- ✓ The Rise of the Controller - The Future of Bookkeeping for Micro-Business Owners
- ✓ The Ultimate Guide to Job Cost Accounting
- ✓ Conversation Curve Balls - Understanding the Colors of Communication
- ✓ Mathematics & Financial Statements - Do Numbers Freak You Out?

"Jackie presents complex information in a way that makes real sense. Her grasp of construction accounting and its impact on the construction world is second to none!"

C. Fabela | Director of Client Success
